## SOLO PIPING EVENTS

### ORDER OF PLAY

Competitors entry fee is the admission fee on the entry gate.

Can I ask you to park in the designated solo piping parking area and not the main car park. Please refer to the diagram on the final page which shows the field layout etc, there will be signs marking the route.

**After parking, can you please register at the solo piping registration tent and collect your allocated competitor's number to wear.**

For any reason, anyone is unable to attend on the day, it would be very much appreciated if I could be informed by text.

Please check your order of play and allow yourself good time to be ready in case there are any withdrawals.

I wish you all the very best for a good day of piping!
